# Timaron 2020-2021

71 E Grove St, Middleborough, MA 02346 508-946-2010 https://www.middleboro.k12.ma.us/MHS This year's Timaron Yearbook is dedicated to the memory of Mr. William "Bill" Lawrence, who was a Sachem through and through. Mr. Lawrence was a 1984 graduate of Middleborough High School as well as a longtime physical education teacher and baseball coach. In his years as an educator and coach, he influenced the lives of countless students with his soft-spoken nature, humor, and genuine care for the well-being of others. His name will forever be synonymous with Middleborough baseball where his record speaks for itself. In twenty-one seasons as coach, Mr. Lawrence's teams always finished with a winning record, amassing 327 wins and two state championships in 2013 and 2015. Though he is no longer with us, his legacy will live on with each student that steps foot into the MHS gymnasium and each athlete that dons the black and orange.

## A Note From Mr. Branagan

Congratulations to the Class of 2021! To begin, one of the greatest joys in my life is the honor to have served as your Principal for the last four years. This class is beyond special and I will always cherish the amazing contributions you have made since the moment you walked into the high school to help make our school even better.

This class will remembered for so many things. Amazing leadership, tremendous athletic accomplishments and celebrations, talented and creative artists, musicians and actors that truly lit up the stage with each and every performance. This class demonstrated academic strength with your outstanding achievements in the classroom. This class is known for taking the important academic risks to help with your growth as a learner. There are so many stories of academic success within the Class of 2021. Your teachers loved working with each of you. We all loved working with each of you!

However, I think the most powerful thing I will remember from this class that will carry with me for a lifetime is the strength, resilience and grit of the Class of 2021. The Covid-19 pandemic hit in the middle of your junior year, a time when we are preparing for SAT Exams, junior proms, celebrations, induction ceremonies and the tradition of taking on the school as the senior class. I was so excited to have this class be the leaders of our school. I was so excited to celebrate your junior prom and announce each of you at the Grand March. I was excited to see this class lead the charge into our new school. I was so excited for all that was to come for this class.

All of it! However, Covid-19 had other plans. We were forced to shift plans many times. It would become so apparent that this new reality we were all living in was more than a temporary setback...we were in this for the long haul. Devastation and disappointment are words that have been used when describing the final year of your high school experience. These powerful words would soon be replaced with the true meaning of this class....connection, determination and love.

This class defines strength. You have taught each of us to look at the true meaning of what we are all experiencing and rise above it. You found the positive, you found passion, you found ways to connect, engage and inspire. You found hope and a sense of resiliency that I truly hope everyone around you took your lead. You, my friends, taught us more than we could ever have taught you. You taught us to look at the small things and ensure that we cherish those moments that in a normal time...would have been dismissed without notice.

This is the class that will truly FinishSTRONG. I am deeply thankful to you for allowing me to share in your journey. I have learned from you. I have grown with you. I have been inspired by you. Our school will be better because of you. Thank you for leaving MHS better than how you found it. Thank you for never giving up on your school. Thank you for wearing the Black and Orange. I will miss you, your spirit, your energy and most importantly....the difference you have made at MHS! I will never forget you.

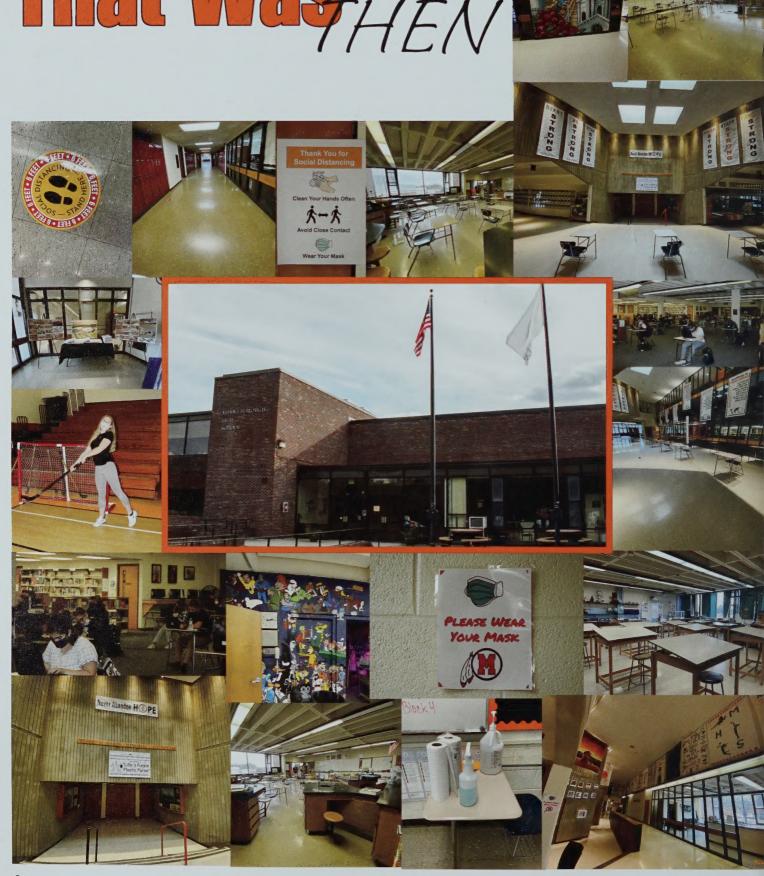

Always be good to each other and never stop leading and inspiring.

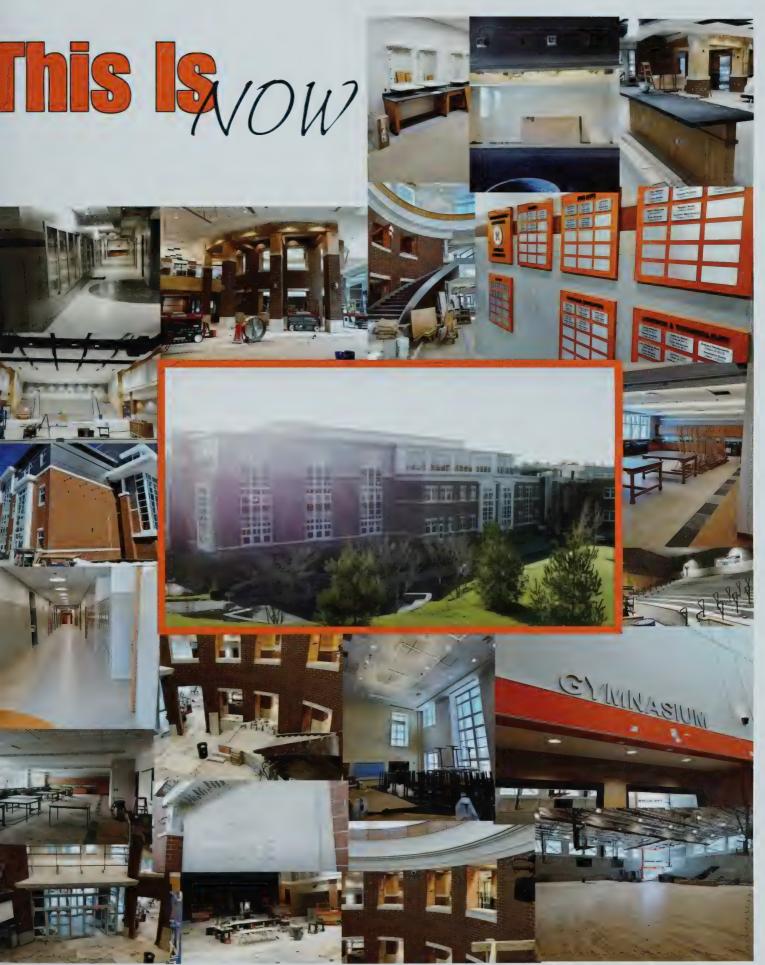

Sincerely,

Bran

Thank you for all the work you do to help make our school and our world clean.

#### Timaron:

Each year, a few students are selected to create the Timaron yearbook, which stands for "Time Marches On". These students are involved in every challenging step when creating the yearbook by using advanced editing software. Advisors, Mrs. Sangeleer and Mr. Reynolds assisted editors Allison Connors and Erin Levesque with this year's edition.

#### TV Pro:

Television Production students have the opportunity to produce, direct, and film their own videos with various types of state of the art equipment. TV Pro students are always creating content for community members to stay up to date through their own news channel called "MET News".

#### Orchestra:

The MHS Orchestra, members show off their talents and hard work at concerts and competitions throughout the year. Unfortunately, competitions will not be able to happen this year, but some members of the MHS Orchestra auditioned and made senior SEMSBA and districts. The Orchestra is presented with difficult pieces and conducted by Justin Pittsley.

#### **Concert Choir & Sachem Singers**

Under the direction of Patrick Converse, Concert Choir and Sachem Singers work hard to perfect their musical performances. Concert Choir focuses on perfecting perfecting each members singing skills while Sachem Singers focuses more on improving singing skills. Each groups performs at events such as pep rallies, caroling, and competitions. Due to the pandemic, both Concert Choir and Sachem Singers were not about to participate in these events but were able to make an appearance at the MHS Holiday Concert.

### **Speech and Theater Workshop:**

Speech and theater Workshop, also known as STW, gives students opportunities to learn and apply real acting techniques to perform on a stage as well as learn production behind the scenes. Students have the opportunity to participate in three different shows throughout the school year including a fall show, festival, and "Thats Entertainment". Unfortunately, this year Speech and Theater hasn't been able to occur due to Covid restrictions. But to highlight the amazing talent of the student body, we have chosen to include photos from last year's production of "Shrek The Musical".

## SENIOR SATURDAY

**Cross Country** 

The 2020 Middleboro Cross Country Team was led by senior captains: Allison Cowgill, Anna DiBona, Shae Gallagher, Dylan Furtado, Noah Miles, and Adam Montross. The team tied Norwell for the most all stars this year with 10 overall. Mike Neitlich, Adam Montross, Noah DeGrazia, Dylan Furtado, Noah Miles, Shae Gallagher, Ally Kirkpatrick, Anna DiBona, Ally Cowgill, and Madisyn Hancock were all named League All Stars this season. Additionally, Shae Gallagher was named League MVP. Both teams finished the season with winning records and the league sportsmanship award being coached by TJ Smith, Joe Pauze, Heather Montross, and Megan Connor. The team hopes to be even more successful in the years to come!

#### Golf

Coached by Larry Oliver and led by senior captain, Colby Allen, the 2020-2021 Golf team battled through adversity in their shortened season. They finished with a final record of 3-6-1. The record doesn't represent their season as they had many close losses and gave it their all. Representing the South Shore League all star team was Colby Allen for his 3rd season in a row. Seniors Colby Allen, Peter Hinko, Aiden Larson, Matt Ruggerio, Steven D'Errico, Jack Parziale, and Colby Strong concluded their high school golf careers with their heads held high after making school history last year. With many rising players the team has much to look forward to in the future.

#### **Field Hockey**

The Middleboro Field Hockey team proved themselves once again, finishing their season with a 5-8 record. Despite having limited players on the field and numerous rule changes, they persisted, finishing out the season strong. This years team was led by Senior Captains Leanne Melendy, Camryn Morano, and Gabby Larocque, and Coaches Lisa Perry and Amanda Reynolds. Having faced the challenges that come with playing during a pandemic, the team feels strongly that they will only grow as players and a unit, ready to take on the next season with everything they have.

BOYS SOCCER

#### **Girls Soccer**

Led by senior captains Mandi Bukunt and Jaida Cochran, the 2020 Girls Soccer team had an outstanding season, winning the South Shore League title. The hard work and strength of the girls, along with the guidance of Coach Dennis Cutler, led them through an unprecedented season to victory. The Girls Soccer team graduated 10 seniors this year, but has a bright outlook with a large program and a strong group of incoming seniors.

#### **Boys Basketball**

Led by coach Michael Duarte and senior cocaptains Colby Allen, Wes James, and Tim Crowley, the 2020-2021 varsity boys made history with the team's first league championship since 1999. Despite many challenges presented by Covid, they finished with a final record of 6-2. They went undefeated in their tournament seeding games with a great 6-0 and would have continued to dominate if they had a full length season. South Shore League all stars were Wes James, Cam LaPierre, Gianni Perea, and Jacob Briggs. A great season with an even brighter future ahead of them.

#### Girls Basketball

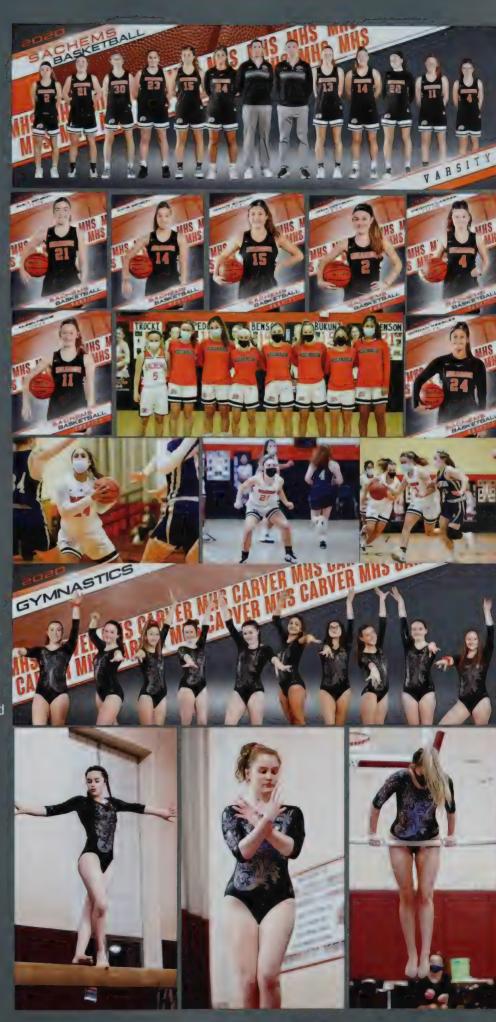

The girls basketball team had a very successful season led by senior captains Emily Benson, Amanda Bukunt, and Jordan Peebles. Despite their shortened season, the Lady Sachems left their mark, finishing strong with a record of 9 wins and 5 losses and making a deep post season run. They beat Carver and Cohasset in the semifinals, but ultimately fell to Norwell in the South Shore League championship. The team had three South Shore league all stars: Amanda Bukunt, Jordan Peebles, and Alex Williams. The Lady Sachems have a bright future led by Coach Jeff Powers and Coach Joe Pauze.

#### **Gymnastics**

Our gymnastics team is lead by captain Cheyanne Northrup of Carver. Middleboro has a combined team with Old Colony. This year our record was 1-4 with our gymnastics team. The girls worked extremely hard and their talent is amazing. We went to strive gymnastics for the league meet and placed 7th out of 8. We scored our personal best, 121.5. Co-op included 11 participants, 5 from Middleboro and 6 from Carver.

#### Hockey

The 2020-2021 Hockey squad was led this year by captains Justin Plausky, Matt Ruggiero, and Aidan Carey. The team was off to one of their best starts in recent history before being shut down by Covid and losing many of their key players. They finished 4-4-1 with a loss in the championship to Norwell, but had there been a regular season they would have given the league a real run for their money. Although there wasn't much to get out of the season, there were many memories shared with all the guys and they were all happy to play. The team finished off with 31 goals being coached by Scott Drevitch and Steve Chamberlain.

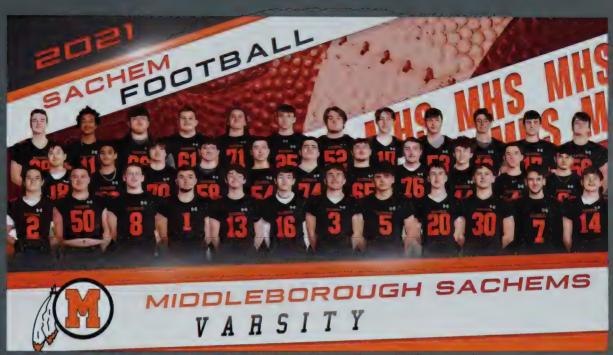

#### **Swimming and Diving**

The swim team had a very successful year despite the challenges with having virtual meets and the strict protocol that came with it. The boys team placed second in the league with a record of 2-1. Captains of the team were Madison Furtado and Cami Morano This year's coaching staff included Sean Siciliano as the head swim coach and Tara Morano as the assistant swim coach.
